Doctrinal Statement

The doctrinal position of Graham Bible College, to which all faculty and board members must adhere, is that of historic biblical Christianity in its Reformed expressions.

We believe . . .

That the Holy Bible, composed of the Old and New Testaments, is of final and supreme authority in faith and life, and being inspired by God, is inerrant in the original writings; that special revelation is a voluntary self-disclosure of God, propositional in content and necessary for salvation;

In God the Father, God the Son, and God the Holy Ghost, this trinity being one God, eternally existing in three persons, this Godhead being totally sovereign; and in the pre-temporal decree of God to save a definite number of mankind, and that the atonement was particular in that it was designed to bring this decree to pass;

In the deity of Jesus Christ, that He is co-eternal and co-equal with God the Father. We believe the Bible record of His virgin birth, sinless life, words, works, vicarious death, bodily resurrection and ascension, and promise of His return. Christ came into the world to provide salvation for his people through faith in Him as Savior and Lord;

That the origin of man was by fiat of God in the act of creation as related in the book of Genesis; that he was created in the image of God; that he sinned and thereby incurred physical and spiritual death;

That all human beings are born with a depraved nature and are lost and at enmity with God. By virtue of this spiritual death, all men are totally unable to do that which is meritorious in God's sight and cannot even prepare themselves for salvation. Salvation is by grace through faith in Christ, "Who His own self bare our sins in His own body on the tree;"

That the Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular assemblies or churches, and to each of these churches He hath given needful authority for administering that order, discipline, and worship which he hath appointed;

That Christian living is to recognize our utter dependence upon the power of the Holy Spirit to lead us in the paths of righteousness for His name's sake. The Christian is to maintain daily an attitude of yieldedness and dependence upon the indwelling Christ, seeking always to obey God's Word; and seeking to make diligent use of the means of grace;

That Christian service includes the believer's personal participation in witnessing, his Christian testimony in a local congregation, and his interest in and support of God's work and His people everywhere. For a right emphasis on the time, place, and object of our Christian stewardship, we look to the Holy Spirit for guidance and leadership;

That on the third day after His crucifixion, our Lord Jesus Christ arose again from the dead with the same body in which He suffered, with which He also ascended into heaven, and there sits at the right hand of the Father making intercession for the saints;

That our Lord Jesus Christ will in future history return bodily to this world and shall reign forever; that there shall be a future day of resurrection in which both the redeemed and the damned shall be raised from the dead, the redeemed to enjoy the estate of eternal blessedness, the damned to suffer the eternal torment of retribution.

Graham Bible College is committed to providing higher education. Our concern for academic excellence emanates from the belief that Christian higher education should be superior, not inferior, to that provided by other colleges and universities. The College feels that anything less than this is not to the glory of God. Therefore, every effort is made to provide the academic excellence worthy of a college dedicated to the Lord and necessary for the education of those preparing for service to the Lord in the days to come.

GRADUATION REQUIREMENTS

Graham Bible College reserves the right to alter graduation requirements when it is decided that such changes are necessary. Normally a student is graduated according to the stated requirements at the time of admission unless attendance has not been continuous. In case of readmission, requirements at the time of readmission must be met.

- ❖ The student is required to fulfill graduation requirements within eight (8) years of initial enrollment.
- ❖ Students are limited to four (4) college credits before filing a completed application.
- ❖ Students who have filed an application must submit a high school or GED transcript along with college transcripts.
- ❖ Credits at GBC will not be filed officially until all requirements have been fulfilled.

REGISTRATION

All students, whether taking course for credit or as an audit, are required to register for courses. Registration may take place up until the first day of class. Late registration is allowed only by the approval of the professor and not after two weeks of beginning of course except for auditors.

DROPPED COURSES AND REFUNDS

Courses may be dropped for full refund of tuition of course if dropped before the second week of class. Courses dropped after the two weeks will receive a 50% refund up until the week of the Midterm. Courses dropped after the Midterm will receive no refund.

ATTENDANCE

Regular attendance is required of all students. Faculty members have full responsibility for the implementation of this policy (see Class Attendance Policy below). A student who presents the instructor with an adequate reason for an absence will normally be given an opportunity to make up the work missed. Canceled classes will be made up at a time determined by the instructor in consultation with the administrative office. In the event classes are canceled due to weather, students will be contacted by instructor or administrative office.

CLASS ATTENDANCE POLICY

Consistent with its philosophy of education, Graham Bible College believes that regular class attendance is essential for the enrichment of a student's academic experience. Since excessive absences will hinder learning, the College faculty has established certain guidelines regarding class attendance.

All classes should be attended; but the following schedule will be followed if emergencies develop:

- ❖ Two absences are allowed per course. Additional absences must be cleared with the professor of that class and must be made up or excused at the discretion of the professor.
- ❖ Unexcused absences in excess of the allowed number will result in the lowering of the final grade by one letter; e.g., a grade of **A** will automatically become a **B**.
- ❖ The arrival of a tardy student in a classroom interrupts the class and causes the student to lose valuable information; therefore, students are encouraged to be on time.
